

ABOUT ME

Hello there! My name is Maureen Killion and I am a Small Business Lender with State Bank. I primarily serve our small business clients in Defiance and Paulding counties, however, I also assist our clients in Ft. Wayne, Indiana and in our Toledo, Fulton & Williams counties in Ohio. I am a 2021 graduate of the State Bank's Next Generation Leadership (NGL) Program which included courses specific to strategic planning and leadership.

I have been in the workforce since the age of 14 when I had my first job at the local root beer stand. Throughout high school and college I also worked for a pizza shop, as a swim instructor and as a customer service associate for Lowe's. I am the youngest of 5 children and was born and raised right here in Defiance. I remained in Defiance to further my education and graduated from Defiance College with a degree in Accounting. Prior to entering the banking industry in 2016 I worked as a general accountant for a manufacturing company in Ridgeville Corners.

I still live in Defiance and sit as a board member for the Defiance Area Chamber of Commerce. Additionally, I enjoy volunteering my time with Junior Achievement, with the State Bank GIVES program and with other community events. As a lifelong boater one of my favorite things about this area is the rivers. In the summer I spend a lot of my time on the Auglaize River boating with my husband, Nick. I also enjoy gardening and listening to audio books and podcasts. During football season I love cheering on The Ohio State Buckeyes and The Cleveland Browns.
